

Dear Player, Parent or Guardian,

Thank you for your interest in registering with Hawkwell Athletic Football Club. If you have registered with us before, thank you for your support & commitment. If this is your first time registering with us, I would like to take this opportunity to welcome you to the club.

HAFC is a wholly voluntary not-for-profit organisation founded in 1974. A core senior committee ably assisted by a group of co-opted sub committee members runs the club in its entirety. We always try our very best to deliver an exceptional experience for all our members, both players and non-players. We are certainly not perfect and feedback is the only way we can improve. If you have a comment you wish to share with us, please contact us using the details below.

Our projected income from club registrations for the season 2016/17 is expected to be in the region of **£32,300**. Our budgeted expenditure for the season, will be considerably greater than our income due to the planned completion of the Apex Development Project. Offers of sponsorship to individual teams or the club will therefore be critically important during the next few months.

Any surplus monies and funds generated from tournaments, special events, benefactors and gift-aid donations are held by the club to be used for exceptional circumstances and specifically the development of facilities at APEX.

Managers registration day for the 2016/17 season is July 17th. Please ensure you have completed and returned the attached registration form with the appropriate fee, photos and any requested documentation included, to a team manager or age group coordinator **no later than July 10th**.
